To ensure you have the best experience, **all required materials must be with you for your first session.**

Important Policy: If you arrive without the required supplies, you will lose credit for that day's session. We offer full flexibility to reschedule if you aren't prepared, just **text us at 702-742-1110 at least 2 hours before class starts** to avoid losing your credit.

If you would like to check out the class for a single drop in session before committing, you are able to borrow our supplies for the Black & White session only. Please add “borrow supplies” at the checkout
