

AT BASH & DESIGN GALLERY, EVERY EVENT IS A CANVAS FOR UNIQUE EXPERIENCES. WHETHER YOU'RE LOOKING FOR AN INTIMATE ART SESSION OR A GRAND CELEBRATION, OUR STUDIO IS THE PERFECT PALETTE.

We personalize every project to align with the unique theme of your art party

A Simple Event - Dive into the world of art with our "Just Because" package, perfect for those who wish to relax, connect, and create.

In the comfort of our studio or gallery room, surrounded by inspiring artwork, our professional instructor will lead you through a personalized art journey. With premium supplies for painting on canvas or mixed media at your disposal, you and your guests are set to craft memories that are as lasting as the masterpieces you'll create.

A Special Celebration - Elevate your festivities with a touch of creativity! Perfect for birthdays, anniversaries, or any milestone, this package transforms our vibrant studio into your personal celebration space. Alongside the art project guided by our expert instructor and a host enjoy added perks such as a birthday sign, balloons, dedicated areas for dining, and a chance to let loose with dance. Amenities from the cake and food tables to the seating arrangements are thoughtfully provided, ensuring your special day is as seamless as it is memorable. We set up and clean everything so you don't have to!

At Bash & Design Gallery, every event is thoughtfully crafted to match your theme, because getting to know you and your group is important to us. We offer bespoke art projects, uniquely designed for your occasion.

Interested in a team-building event that stands out? Contact us to discuss a customized group art project that aligns with your company's ethos. We specialize in creating experiences that foster collaboration and creativity.
