Fall 3-for-2 Offer: Enroll in 2 programs, get your 3rd free

Household-wide, use your free third program however works for your family: a sibling, an additional class for someone already enrolled, or one for yourself.

To claim it: Text us at 702-742-1110 with all three classes you'd like, and we'll set everything up for you. Please don't register the free class on your own, just text us and we'll take care of it.

The free program is applied to the lowest-priced of the three classes. If a free class is self-enrolled, we'll adjust the enrollment to reflect this.

Pricing at a glance: Semester works out to \$45–\$65 per session · Drop-in \$52–\$75 · and remember, enroll in 2 programs and your 3rd is free.

Siblings on different schedules? No need to drive back and forth. If one child's class starts earlier, they're welcome to wait with us, bring a book, a snack, or a project, and we'll always have paper on hand. As part of our studio etiquette, young artists are encouraged to help care for the space. Please arrange early drop-off ahead of time, as it depends on staff availability.
