

Bash & Design Gallery: Supply List Link for “The Painter's Cheat Code: Black & White Portrait Class” <https://amzn.to/4siQTve>

To ensure you have the best experience, **all required materials must be with you for your first session.**

Important Policy: If you arrive without the required supplies, you will lose credit for that day’s session. We offer full flexibility to reschedule if you aren't prepared, just **text us at 702-742-1110 at least 2 hours before class starts** to avoid losing your credit.

🟠 Required Materials

- **Mixed Media Pad:** Choose between size **11x14** or **9x12**.
- **Gamblin Gamsol:** This **must** be the **odorless** version.
- **Brush Cleaning Jar:** Must be **glass**. A glass Tupperware works, but we highly recommend the **Silicoil Brush Cleaning Tank**.
- **Palette:** **Palette Paper Pad** or a **Masterson Artist Palette Seal** (best for saving paint for future use).
- **Gamblin 1980 Oil Paints:** You will need both **Ivory Black** and **Titanium White**.
- **Kai’s Recommended Brush: Trekell Midz Flat Brush (Size 12).** We sell these in-store \$10 each for your convenience, or you can order them online.

Suggested Materials

You may see additional items on our supply list like tabletop easels or specific paper towels. These are helpful tools to have, but they are **not required** for your class.
